Additional Items to Note Prior to Arrival

Emergency Contact number –911; Other non-emergent issues – 417-234-3466

- 1) There are no phones on site. You'll want to bring a cellular phone. Excellent cellular reception on property for all major cellular networks. As such, our Dish Network Satellite TV service does not have PayPerView services – sorry ☹
- 2) **Please do not park or drive vehicles on property (grass/ yards).**
- 3) **Please NO Pets !**
- 4) **Please NO smoking IN THE HOUSE** AND *no butts left outside anywhere !*
- 5) Laundry / towels etc can be left in the tubs but if you do your own laundry, please wash ALL WHITES TOGETHER – NOT WITH COLORED ITEMS ! We will have to charge to replace any property towels or linens that become “adversely colored” when doing your own laundry. Just a friendly reminder ☺
- 6) When leaving premises, lock all doors to prevent theft of your personal items AND our furniture and electronics. Please remember that this is our second home and personal property as well. For your added security please also use the locking pins on any slider doors to the deck(s).
- 7) Our property is on a septic system and as such, please place any feminine toiletries in the trash rather than down the toilet. Also, no grease down the sinks as this also is very bad for a septic system. The house has a whole house filter system and water softener for your comfort.
- 8) IMPORTANT -- Hot Tub use: the lid to the hot tub on deck does snap locked in two places (for child safety we recommend using this feature if small children are present). --- **DO NOT PULL ON SNAPS OR YOU WILL BREAK THE LATCHES** – (See Hot tub rules below).
- 9) BBQ Grill use: **DO NOT PLACE GRILL AGAINST** or anywhere near **HOUSE** – this will melt the vinyl siding. **Fire Extinguisher is found in kitchen under Island counter.** Extra propane is located near the deck by trashcans. If you happen to run out of propane, feel free to do a “Tank Exchange” at Twin Island Gas Station up the road about 5 minutes. Let us know and we can credit you the exchange fee (with proof of receipt). We know how disturbing it can be if the grill stops working in the middle of dinner

Rev. 12/09

Hot Tub Rules

1. **No standing or sitting on cover please!** They are expensive to replace. **Please keep children OFF – no climbing on cover !**
2. **PLEASE SHOWER BEFORE entering tub, esp if having been in the lake before** / REMOVE HEAVY MAKEUP or LOTIONS BEFORE ENTERING – this helps keep the pool chemistry and water as clean as possible.
3. **NO USE** OF SOAPS / LOTIONS / OILS IN TUB, as it creates a mess for us to clean. You may feel free to add fresh water from the spicket / hose outside under the deck if tub requires more water after extended use and water loss. **Do not overfill & please don't let the water level get below the filter inlet.**
4. Please use the bathroom and not the tub 😊.
5. To remove cover, carefully place it folded on one side of the hot tub, standing on end (be sure to unlock all straps FIRST).
6. **Please leave cover on tub when not in use** to keep leaves and other debris out & to **keep the tub from losing heat.**
7. If small children are present we do recommend using the locking latches on the cover to prevent accidental drowning. Parental supervision is assumed if children under 14 are using the Spa. (NOTE: only one strap works)
8. Spa is continuously sanitized with Bromine. **Please leave the Brown, floating Brominator in the tub at all times. DO NOT adjust the Brominator settings please.**
9. Temperature is set at 90 degrees on arrival – you may want to increase the temp setting upon arrival as it **increases 5 degrees per hour with lid in place** (max temp is 104 degrees). **Note that there are health risks associated with the use of hot tubs – use with discretion and at your own risk.**
